#### Date and Currency

The date of this Information Circular is November 21, 2022. Unless otherwise stated, all amounts herein are in Canadian dollars.

#### APPOINTMENT OF PROXYHOLDER

The persons named as proxy holders in the enclosed form of proxy are the Company’s directors or officers. As a Shareholder, you have the right to appoint a person (who need not be a Shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy. A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

#### VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an “X” in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.

#### COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Olympia Trust Company by fax to 1-403-668-8307, by email to [proxy@olympiatrust.com](mailto:proxy@olympiatrust.com), or by mail/hand delivery to Suite 1900, 925 West Georgia Street, Vancouver, BC V6C 3L2, or via internet at <https://css.olympiatrust.com/pxlogin>, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

### **IMPORTANT INFORMATION FOR NON-REGISTERED HOLDERS**

Only Shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our Shareholders are "non-registered" Shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered Shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered Shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a request for voting instructions (a "VIF"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered Shareholder (or Nominee) how to vote on behalf of the non-registered Shareholder. VIF's, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares which they beneficially own. Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request a legal proxy as set forth in the VIF, which will grant the non-registered holder or his/her nominee the right to attend and vote at the Meeting. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

### **REVOCATION OF PROXY**

If you are a registered Shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by either:

- a) signing a proxy bearing a later date; or
- b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered Shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

### **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

The Company is authorized to issue an unlimited number of common shares without par value. As of the record date, determined by the Board of Directors (the "Board") to be the close of business on November 16, 2022, a total of 77,896,716 common shares were issued and outstanding. Each common share carries the right to one vote at the Meeting.

Only registered Shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company no person beneficially owns, directly or indirectly, or exercised control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares of the Company.

### Stock Options and Other Compensation Securities

### Exercise of Stock Options

During the financial year ended February 28, 2022, no NEOs or Directors of the Company exercised compensation securities.

### Stock Option Plans and Other Incentive Plans

The Company has adopted a Stock Option Plan (the “Option Plan”) pursuant to which the Board may grant options (the “Options”) to purchase common shares of the Company (the “Shares”) to NEOs, Directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, Directors, employees and other service providers by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company’s growth. Under the Option Plan, the maximum number of Shares reserved for issuance, including Options currently outstanding, is equal to 10% of the Shares outstanding from time to time (the “10% Maximum”). The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

For more information on the Option Plan, see “Approval and Ratification of Stock Option Plan” under Particulars of Matters to be Acted Upon.

### Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by Directors or NEOs of the Company.

The Company has entered into the following agreements with management:

**Dusan Berka** – By agreement dated October 1, 2011, as amended April 23, 2013 and September 5, 2019, the Company agreed to pay Duster Capital Corp., of which Mr. Berka is the Principal, a management fee of \$5,000 per month plus taxes, effective August 1, 2019. For actual amounts paid to Mr. Berka for the financial year ended February 28, 2022, see “Table of Compensation Excluding Compensation Securities”.

The agreement with Mr. Berka contains certain termination payout clauses upon the occurrence of the following events:

- 1) by the Company, upon giving Mr. Berka thirty days prior written notice, in which case all unpaid compensation up to the date of termination, together with all expenses not previously reimbursed, shall be paid to Mr. Berka, plus a further payment equal to fees for a 1 month period for every year of service by Mr. Berka in excess of one year, subject to a maximum of 12 months, as damages and compensation for loss of office and for the termination of the agreement; or
- 2) by Mr. Berka, immediately upon giving the Company written notice, in its sole discretion, following a Change of Control or Change of Management of the Company (as defined by the policies of the TSX Venture Exchange or any successor hereto) in which case all unpaid compensation up to the date of termination, together with all expenses not previously reimbursed, shall be paid to Mr. Berka, plus a further payment equal to fees for a further twelve (12) months, as damages and compensation for loss of office and for the termination of the agreement.

The agreement is in good standing.

**Zahara Kanji** By agreement dated October 1, 2011, as amended April 23, 2013 and September 5, 2019, the Company agreed to pay Zara Kanji & Associates, of which Ms. Kanji is the Principal, a management fee of \$4,000 per month plus taxes, effective June 1, 2019. For actual amounts paid to Ms. Kanji for the financial year ended February 28, 2022, see “Table of Compensation Excluding Compensation Securities”.

The agreement is in good standing.

### **Oversight and Description of Director and NEO Compensation**

The Compensation and Nomination Committee of the Company has the responsibility of determining the compensation for the NEOs, directors and other senior management and recommending to the Board for approval. The Compensation and Nomination Committee is comprised of Robert Archer, Brian Ostroff and Mary Ellen Thorburn. Mr. Archer and Ms. Thorburn are considered independent in accordance with National Instrument 52-110 – *Audit Committees* (“NI 52-110”).

The Company’s compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the level of that executive’s level of responsibility. In general, the Company’s NEOs may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objective and reason for this system of compensation is to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. The Compensation and Nomination Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs and directors for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Compensation and Nomination Committee of the work planned during the year and the work achieved during the year. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

### **Pension Disclosure**

The Company has no pension plans that provide for payments or benefits to any NEO at, following or in connection with retirement. The Company also does not have any deferred compensation plans relating to any NEO.

### **SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**

The following table sets forth the Company’s compensation plans under which equity securities are authorized for issuance as at the end of the most recently completed financial year ended February 28, 2022:

In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and, therefore, these guidelines have not been adopted. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent Directors are however able to meet at any time without any members of management including the non-independent Directors being present. Further, supervision is performed through the Audit Committee which is composed of a majority of independent Directors.

2. access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
3. access to management and technical experts and consultants; and
4. a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

### **Ethical Business Conduct**

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The Board has adopted a Code of Conduct and has instructed its management and employees to abide by the Code.

### **Nomination of Directors**

The Compensation and Nomination Committee is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

#### **5. Approval and Ratification of Stock Option Plan**

At the Meeting, shareholders will be asked to consider and, if thought advisable, to pass an ordinary resolution approving the adoption of a new Stock Option Plan (the "New Plan"), to replace the existing Stock Option Plan (the "Current Plan"), the renewal

of which was most recently approved by shareholders at the Company's 2021 Annual General Meeting held on December 21, 2021. The terms of the New Plan are similar to those of the Current Plan, but revised to specifically address the current Policies of the TSX Venture Exchange ("TSXV") applicable to Stock Option Plans. The purpose of the New Plan will be to assist the Company in attracting, retaining and motivating directors, officers, employees and consultants to the Company and to closely align the personal interests of such directors, officers, employees and consultants with the interests of the Company and its shareholders. Options granted under the New Plan will be non-assignable and may be granted for a term not exceeding that permitted by the TSXV (currently ten years). A summary of the material aspects of the New Plan is as follows:

1. the adoption and implementation of the New Plan is subject to shareholder approval and acceptance by the TSXV;
2. the New Plan will be administered by the Company's Board of Directors or, if the Board so designates, a Committee of the Board appointed in accordance with the New Plan to administer the New Plan;
3. the maximum number of shares in respect of which options may be outstanding under the New Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Company at that time, less the number of shares, if any, subject to existing options;
4. following termination of an optionee's employment, directorship, consulting agreement or other qualified position, the optionee's option shall terminate upon the expiry of such period of time following termination, not to exceed 90 days (30 days if the optionee is engaged in providing investor relations services), as has been determined by the directors;
5. an option granted under the New Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination;
6. as long as required by TSXV policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the "Outstanding Shares") in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period;
7. options may not be granted at prices that are less than the Discounted Market Price as defined in TSXV policy which, subject to certain exceptions, generally means the most recent closing price of the Company's shares on the TSXV, less a discount of from 15% to 25%, depending on the trading value of the Company's shares;
8. for any option which would otherwise expire during the period during which the Optionee was prohibited from trading in the Company's securities (a "Blackout Period"), the term of such option shall be extended such that the option shall expire at the close of business on the tenth business day subsequent to the date the Blackout Period has been terminated;
9. any amendment of the terms of an option shall be subject to any required regulatory and shareholder approvals; and
10. in the event of a reorganization of the Company or the amalgamation, merger or consolidation of the shares of the Company, the Board of Directors shall make such appropriate provisions for the protection of the rights of the optionee as it may deem advisable.

As disclosed above, the adoption of the New Plan is subject to the Company receiving shareholder approval therefor.

At the Meeting, Shareholders will be asked to approve the following ordinary resolution (the "Stock Option Plan Resolution"), which must be approved by at least a majority of the votes cast by Shareholders represented in person or by proxy at the Meeting who vote in respect of the Stock Option Plan Resolution:

"BE IT RESOLVED, as an ordinary resolution of the Shareholders of the Company, with or without amendment, that:

1. The adoption by the Company of a new Stock Option Plan as described in the management information circular dated November 21 2022, prepared in connection with this annual general meeting of shareholders, is hereby approved, ratified and confirmed, with or without amendment.
2. The board of directors of the Company is authorized to perform such further acts and execute such further documentation as may be required to give effect to the foregoing."

The full text of the New Plan will be presented to the shareholders at the Meeting. Shareholders may also view the New Plan in advance of the Meeting by requesting a copy of the New Plan from the Company by telephone at (604) 681-1568 or by email at [info@madorometals.com](mailto:info@madorometals.com).

## SCHEDULE "A"

#### I. Mandate

The primary function of the Audit Committee (the "Committee") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders, the Company's systems of internal controls regarding finance and accounting, and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements.
- Review and appraise the performance of the Company's external auditors.
- Provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

#### II. Composition

The Committee shall be comprised of three Directors as determined by the Board of Directors, the majority of whom shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

At least one member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual Shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

  - ii. such services were not recognized by the Company at the time of the engagement to be non-audit services; and
  - iii. such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.
